

The 2011 John Benedetti Award for Outstanding Support

Nancy Brown

Senior Manager, Community Development for
Charles Schwab Bank

Ms. Brown has been with Charles Schwab Bank, headquartered in Reno, Nevada, since the bank opened in April of 2003. Ms. Brown is responsible for Community Development (CRA) projects and activities for Schwab Bank within its Northern Nevada CRA assessment area. These activities include participation on nonprofit boards and committees that focus on affordable housing and asset development programs. Ms. Brown is especially interested in the asset development initiatives since she believes that increasing individual assets is the foundation to the building of individual financial capabilities and efficacy needed to move people out of poverty. Ms. Brown has over 32 years of banking experience. Nancy earned an AA Degree at Merced Community College, attended CBA Graduate School Retail Banking, FRB Community Development Lending School, and The Bay Area Ross Program in Real Estate.

Nancy Brown and Charles Schwab Bank have been instrumental in helping Bristlecone Family Resources realize their dream of moving into a new, centrally-located building, that will house the entire agency under one roof.
